GOSSIPING IN PUBLIC.

A Rude Proceeding Which Might be Called the Unpardonable Social Sia. Do be careful about bringing your private affairs into public. It is aston-ishing how many women one meets on the streets and in the cars who appear and five long; when done, these should not be over a quarter of an inch thick and as crisp as "molasses snaps."

Exchange. friend is of a quiet, unassuming dis position, making her particularly un comfortable, for of all things a person of this nature dislikes to attract attention on the street or in any public place. She would much prefer that they would not recognize her at all than make her the object of curious World.

The old gentleman had just propeled a young cadet from the front entrance, and as he went back into the house, he smiled grimly and murmad: "I ain't much of a society man, no ways. I never learned to dance the german, but I'll be doggoned if I ain't way 'up when it comes to waltzin' the military.—Merchant Truceler.

Louging for Things We Have Not.—How dear to my heart are the scenes of my childhood, and cen the snow shovel! That gallus snow three eggs; beat together molasses, three eggs; beat together molasses, heart and spices until they are deared. She is housely glad to see the morning and at noon.—Troy Times.—Warm Gingerbread: One cupful the observed of all observers. She fries to convey to them the necessity of speaking low, by replying to all their queries in a very low tone of voice; but this has not the least effect on them, and would be very much intercept time and place, where they could have a social talk together, without being the observed of all observers. She fries to convey to them the necessity of speaking low, by replying to all their queries in a very low tone of voice; but this has not the least effect on them, for they continue their queries in as loud a voice as before. She can hardly be blamed if she is heartly glad when they bid her good--Indianapolis Journal.

-The oat is a splendid food for young animals, because, compared with corn, straw, etc., it is rich in muscle and want to know just how all the folks are

such people.

Two of these noisy people enter a car, and in a little while the people occupying seats for some distance away, as well as those nearer, listen to A Splendid Way of Assisting the Soil to Recuperate Itself.

There are times when, after the crop has been harvested, the land is allowed to remain undisturbed until the succeeding appring but experience has
